

IACAPAP announces the opening of applications for The Donald J. Cohen Fellowship Program for International Scholars in Child and Adolescent Mental Health for the IACAPAP Congress, Dubai, 5-9 Dec, 2022.

The fellowship is designed for individuals whose engagement could play a pivotal role in addressing the very specific needs of their country of origin. To this end, a prerequisite for all applicants is a submission of a project suitable for a poster or oral presentation at the Congress. Good command of English is an essential requirement. We encourage all interested and eligible candidates to apply. We especially welcome applications from colleagues under 35 years of age and from countries where child and adolescent psychiatric needs are under-served and under-represented.
