Invitation

Esteemed Colleagues and Honoured Guests

Warm Greetings from Assam

With a heart full of anticipation and immense excitement, we extend our cordial invitation to you and your family to the 18th Biennial National Conference of Indian Association for Child and Adolescent Mental Health (IACAMCON 2025) to be held at Dichang Resort, Guwahati, Assam, on 5th, 6th and 7th December 2025.

The theme for this year's conference is ***"Building Bridges for The Voices of Our Future"***, which was conceived after broad consensus, and appears totally apt in today's times. The theme aims to enrich the inter-connectedness between all stake-holders who are involved in the well-being of children and adolescents, including parents, schools, counsellors, doctors, coaches, social workers, advocacy groups and policy makers. Our impetus is to create strong and resilient networks and teams that can navigate the inner world of these vulnerable children and adolescents, so that they emerge as physically, mentally, socially and emotionally healthy citizens, confident to usher in 'Vikshit Bharat'.

We are pleased to announce a distinguished array of eminent luminaries to deliberate on this theme, and we are sure the exchange of knowledge and wisdom would be immensely beneficial to all. We are sanguine they will generate immersive interest and engagement among all the participants along with the hi, hugs and embraces on the aisle.

Amidst the northeastern corner of India, the enchanting state of Assam, blessed by the meandering Brahmaputra and cocooned by lush green landscapes, with its rich biodiversity, iconic tea plantations, and vibrant traditions, Assam beckons you to explore its mystical rivers, serene wildlife sanctuaries and national parks to the spiritual Kamakhya temple, and diverse cultural mosaic. You can also savour the world of mouthwatering indigenous delicacies, celebrated for their unique flavours and culinary artistry.

We, the Organizing Team of IACAMCON, will be truly honoured and delighted by your gracious presence, and are confident that you all will have an enriching and mesmerizing experience. We will try to take every endeavor and untiring effort to make this conference a memorable and an unforgettable event to be cherished in the coming years.

With high hopes, we sincerely look forward to welcome you
